## **Municipal Heritage Site Nomination**

A Municipal Heritage Site is a legally recognized and protected site that has significance to the community's history and heritage. Significance can include an association with an important person, event or theme in the community's history, notable architecture or materials, recognition as a community landmark, or a connection to everyday experiences or spiritual lives of residents. A site must be nominated to be considered for designation as a Municipal Heritage Site.

### **Documentation and Fee Requirements**

• Application Fee: See fee schedule

• Status of Title: Available at Brandon Land Titles Office, 705 Princess Ave.

• Letter of Intent: As per attached checklist

• Maintenance Plan: As per attached checklist

• Other plans and documentation may be required, depending on the nature of the request

#### **Timelines**

The process generally can take four (4) months at best; complicated applications may take a longer period of time. The first two (2) months typically involve a review by the Brandon Municipal Heritage Advisory Committee, while the remainder of the timeline involves the adoption of a site designation by-law by City Council.

#### **Decision Making Authority**

Municipal Heritage Site nominations are first reviewed by the Brandon Municipal Heritage Advisory Committee. The Committee will schedule a site visit, evaluate the heritage value of the site, and submit its recommendation to City Council. If City Council agrees with the Committee's recommendation to designate the site as a municipal heritage site, a site designation by-law will be drafted for City Council to approve.

## **Public Hearing**

Though attendance is not mandatory, the applicant is welcome to attend a public hearing before City Council scheduled by the Planning, Property & Buildings Department. The public hearing allows the general public to comment on the application prior to City Council's decision on the site designation by-law.

#### **Objections to Site Designation**

Should City Council receive an objection at the designation by-law's public hearing, City Council may either resolve to not proceed any further with the by-law, amend the by-law and adopt the amended by-law, or request the Manitoba Municipal Board hold a public hearing and provide recommendations to City Council on how to proceed.
